## BARCA CLUB @ THE PALM JUMEIRAH

**FOR A TRUE TASTE OF EUROPE, HEAD TO THE NEWLY-OPENED BARCA CLUB, SITUATED ALONG THE WATERFRONT AT THE PALM'S CLUBHOUSE AL NABAA.**

Offering a genius mix of Italian, Spanish, Moroccan and Greek food, all served with an exciting twist, it's where we'll be heading for our monthly Mediterranean fix.

The venue itself is a tasteful accompaniment to the food; stylish, elegant décor, modern but intimate seating and flattering low lights, make it the ideal venue for a romantic meal à deux.

Start with a complimentary cold soup, dished out to cleanse

the palette, before tucking into your choice from a fabulously extensive menu. Feeling a little daring, *Grazia* went for the splendidly spicy chilli mushroom starter before opting for a failsafe, yet mouth-wateringly good, steak and mash.

A vast selection of fine wines and a comprehensive cocktail list all add to the impressive new dining space. Whether you take advantage of the cooler climes and sit outside or snuggle up in the cosy booths, be sure to inject some continental flair into your outfit to complement the cosmopolitan vibe.
